Sunday 2nd December 4pm

In the precinct, Coventry City Centre

Please can we remind parents that cycles or scooters kept in school during the school day are left here at your own risk. We would recommend that they are secured with bicycle locks. As you are aware the site is used by two schools. So can we ask that we all take care entering and exiting school site and have respect for each others property. If you do take something accidentally which is not your property please return it to the school office, as it can avoid unnecessary cost and distress to other parents.
