‘Pupils display first-class learning behaviours. They engage well in their lessons and contribute confidently to learning discussions.’

‘Leaders have designed an ambitious curriculum that aims to provide a wide range of learning across subjects. It is also designed to build pupils’ character and enthuse them.’

‘Phonics teaching is taught well in Nursery and continues throughout key stage 1. Pupils learn their sounds quickly. Pupils use their phonics knowledge to develop fluency in reading and to help them spell when writing.’
